Setup Instructions

ASAP Counter AS600

IMPORTANT ASSEMBLY INFORMATION

Always install the fabric graphic starting at the bottom and working up towards the top.
The fabric graphic is tapered to fit and will be damaged if pulled down from the top of the
counter frame towards the bottom.   Please see STEP 05 .

PARTS

(A) hard shipping case lid

(B) hard shipping case base

(C) counter top

(D) 4 vertical support poles
(E) 1 fabric graphic

STEP 01

Put case flat on the floor and undo the two straps.

STEP 02

Lift the case lid (A) and remove the contents **in the case.**

STEP 03

Put the case lid (A) on the floor first.
Screw the support poles (D) into place.

STEP 04

Lift the case base (B) and place on top of the support poles (D). Insert support poles (D) in the four holes in the case base (B).

STEP 05

Place the assembled counter frame in a clean area to install the fabric graphic (E). Start at the bottom of the counter frame (hard shipping case lid, A), and pull up towards the top of the counter frame (hard shipping case base, B). Ensure that the zipper is centered on the case.

WARNING: Attempting to pull the fabric graphic (E) down from the top of the counter frame (hard shipping case base, B) will damage the tapered fabric graphic.

zipper centered on the case

STEP 06

Make sure that all wrinkles are out and the fabric graphic (E) looks straight.

STEP 07

Put the counter top (C) right on top and **press down to secure.**
