PARTS

(A) 2x long curved poles
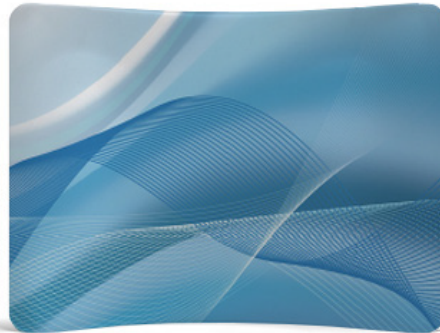

(B) 2x long straight poles

(C) 1x slim straight support pole
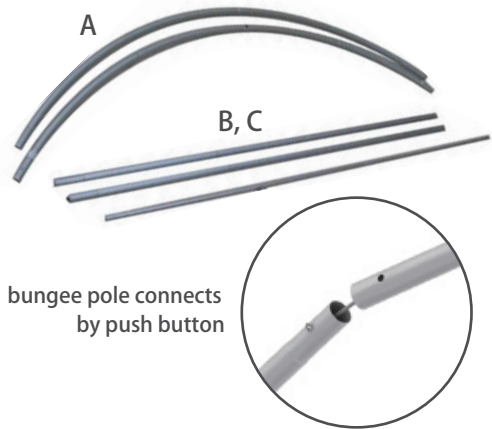

(D) 4x curved corner poles
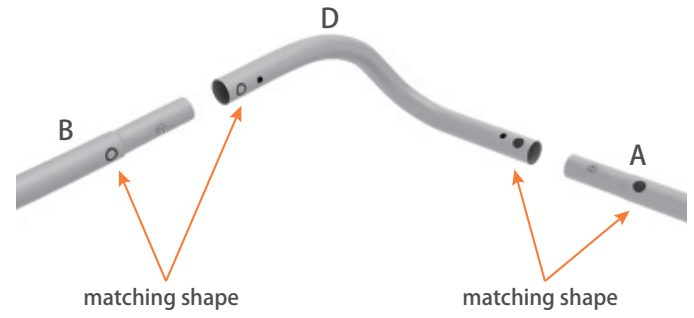

(E) 1x fabric graphic

STEP 01

Assemble the two long curved (A) and three long straight (B, C) poles. The frame is symmetrical so **either curved pole can be on top or bottom.**

STEP 07

Zip the edge of graphic beyond the center support pole as shown. This will hold the center support pole in place. Zip the remaining side and bottom to meet at the corner.

STEP 08   (OPTIONAL)

To straighten your Waveline frame, grasp one side of the frame with two hands and carefully twist the frame in the opposite direction of the lean. Repeat on each side until the frame is standing straight.
